

Archer Electrical

CASE STUDY/OFFICE/ 055 APRIL 2014

CLIENT: NOVO NORDISK  
LOCATION: Gatwick  
DESCRIPTION: Full Electrical Installation  
DATE: April 2014

A design & build project for global healthcare company Novo Nordisk saw us design and install the electrical systems for this 40,000 sq ft office space with an electrical contract value of C. £300,000.

Novo Nordisk have more than 90 years of innovation and leadership in diabetes care, Headquartered in Denmark, Novo Nordisk employs approximately 40,300 people in 75 countries, and markets its products in more than 180 countries.

Our electrical design proposals meet with the overall scope to reflect the Novo Nordisk identity into the scheme to ensure a high level of uniformity across Novo Nordisk buildings. This was incorporated into our lighting schemes and materials employed, providing detail to colours and finishes.

Testimonial:  
What the client said:

*"Archer Electrical has now worked for Powell's Group on many of our projects for a number of years. They are reliable, conscientious and their work is always to a very high standard."*

*Roger Munnery  
Business Developments Director – Powell's Group*
